

Iao School

Parent-Teacher-Student Compact 2016-2017

The purpose of this compact is to create a partnership between administration, teachers, students, and parents. We will work together to support all students in achieving state standards.

Iao School

Our Vision

Our purpose is to produce ethical students who are:

- respectful of diversity
- effective communicators
- self directed learners
- producers of quality products and performances
- and effective users of technology

in order that they meet or exceed standards and advance to high school.

Mission Statement

Our 'ohana inspires students to achieve academic excellence, meet individual goals, and become caring productive citizens

2016-2017 Parent-Teacher-Student Compact

Parents:

As a parent/guardian, I will support my child at school by:

- Ensuring my child arrives at school on time and ready to learn
- Sharing the responsibility for my child's learning
- Establishing time/study area for homework/daily review to support homework completion
- Making time to discuss school experiences
- Showing respect for my child, teachers, and school by positive actions and words
- Communicating with teachers
- Attending school activities

Parent's Signature

Students:

As a student, I will be responsible for my learning by:

- Bringing all necessary supplies to school daily
- Learning and follow classroom and school rules
- Engaging in complex thinking and problem solving
- Staying on task and producing quality products
- Cooperatively working well with others
- Using technology ethically and effectively
- Showing respect for my peers, teachers, and other adults on campus
- Resolving conflicts by using positive actions and words
- Communicating with my family about my school experiences

Student's Signature

Teachers:

As a teacher, I will support my students by:

- Having high expectations for all students
- Providing rigorous instruction that is targeted, differentiated, research based, engaging, and relevant
- Utilizing a variety of assessments to inform instruction and determine student attainment of standards
- Providing a safe environment for learning
- Modeling respectful attitudes and actions towards students, parents, and other adults on campus
- Being a positive role model
- Communicating with students and parents about progress
- Providing consultation time with parents
