Quotes of the Month

Let's remember. One book, one pen, one child and one teacher can change the world

Happiness is not something you postpone for the future, it is something you design for the present.

Let us make our future now, and lets unmake our DREAMS tomorrow's reality

ALOHA TIGER OHANA

As our school has been restructuring we have gained a lot of new faces here and we are on our way to bringing our school back to life. Let me introduce them to you;

Our New Principal - Mr. Matt Dillon,

Our New Librarian - Victoria Crim and finally myself, Kentrie Ho-Cantero. I am your new PCNC here at lao. You can reach me at Kentrie_Ho-Cantero/IAO/HIDOE@HIDOE

Principal's Corner

Aloha `lao Parents and Families,
In the short time I have been at `lao School I've begun to see what it means to be a Tiger. `lao is not just a school. It's a dedicated and caring staff; a faculty committed to their students. It's thoughtful and respectful kids; involved and supportive families. I'm proud to be a Tiger.

To hear about our new Academic Plan for 2017-18, all `lao families and community members are invited to the upcoming School Community Council Meeting on 4/19 at 5:30 PM in room J-204.

-Mr. Dillon

Turn off the TV

The American Academy of Pediatrics recommends screen time for kids should be limited to one or two hours a day. Screen time applies to television, movies, computer games, cell phones, and web-browsing. Children who watch more than two hours of TV a day are more likely to be overweight and often suffer from irregular sleep patterns. So let's give our children the best chance for health!

Create a Viewing Calendar

Choose your favorite TV shows and mark them on the calendar. Turn on the TV just for those shows and turn it off afterwards. TV shows are available 24 hrs a day and it is so easy to keep watching one show after another. Make sure you and your family are only watching the shows that you want to watch, the ones you scheduled on the calendar and not just any show that comes on.
