A Word From Our Principal

"We are now at the point where we must educate our children in what no one knew yesterday, and prepare our schools for what no one knows yet."- Margaret Meade

lao School is in a state of renewal and innovation as we begin the school year of 2017-18.

New programs, new teachers, and a new vision will bring our students to greater levels of achievement and personal growth.

Throughout this change, the foundations and opportunities that define lao School continue to flourish.

We remain dedicated in service to our students, families and community and we will continue to grow our partnerships to the benefit of all.

Thank you for your ongoing involvement and for shining in your role, whatever it may be.

Mr. Dillon

Congratulations Central East Maui Intermediate 50/70 Baseball Team. Over the summer these men have battled their way by winning States on Oahu, which advanced them to play in Nogales, AZ. There they won the Regional Division which advanced them to play in Livermore, CA for the Intermediate 50/70 World Series. Although they didn't clinch the title this year, these men have grown close as brothers. They lived on the road for 3 1/2 weeks and it will be an ADVENTURE they will never forget.
